FIREHOUSE REPLICAS & MODEL FIRE STATION TOYS

A MUST-HAVE FOR FIREFIGHTERS AND COLLECTORS OF FIREFIGHTING TOYS!

THE PERFECT BOOK FOR THE FIREHOUSE KITCHEN TABLE.

This long-awaited book (the fourth title published in the author's *Model Fire Engines* series) is the definitive resource for model fire station toys and scale firehouse replicas. Packed full of detailed information, this coffee-table book includes more than 1,000 color images of over 200 scale firehouses and hundreds of die-cast model fire engines. Includes training towers, burning buildings, firefighting figures, and dioramas of Mack's fire engine assembly plant and FDNY's fleet services facility.

Model fire station toys include details about manufacturers and production dates, and firehouse replicas include historical information about each building such as year built, companies quartered, and neighborhoods served (*in New York City, Chicago, Boston, Los Angeles, and many other cities*).

Featuring firehouses by Code 3 Collectibles, Corgi Classics, Dinky Toys, First Due Firehouse Replicas, Hot Wheels, LEGO, Majorette, Matchbox, Plasticville, Road Champs, Siku, Solido, Tomica, Tootsietoy, and many others. This beautifully designed book will appeal to firefighters, collectors, and children alike. Available in hardcover and softcover.
